NOVOS EDITAIS INTERNACIONAIS

A-T Children's Project - Research Grant Program

 Saiba mais	<p>Resumo: The Research Grant Program supports promising research with sound scientific rationale. No idea is too novel for us to consider, as long as it has clear relevance for people with ataxia telangiectasia (A-T) and the potential to lead to a therapy. We welcome applications from academia and industry scientists, small biotechnology, and large pharmaceutical companies, and even from venture capital firms that are incubating new technologies which may hold promise for A-T. Our portfolio spans basic, translational and clinical research.</p> <p>Data: The A-T Children's Project reviews Letters of Intent and proposals on a rolling basis</p> <p>Valor: Provide awards primarily for translational and clinical research grants related to ataxia-telangiectasia. One and two-year projects are funded up to a maximum total direct cost of \$75,000 per year.</p>
--	---

DFG - Research Training Groups / International Research Training Groups

 <p>Saiba mais</p>	<p>Resumo: International Research Training Groups provide opportunities for joint doctoral training programmes between German universities and universities abroad. The research and study programmes are jointly developed and supervised. Doctoral students in the programme complete a six-month research stay at the respective partner institution.</p> <p>Data: Draft proposals: no deadline. Establishment proposals - following consultation with the DFG's Head Office - are accepted at any time.</p> <p>Valor: The DFG can only fund the project-specific costs incurred by the German partner university.</p>
--	--

iF World Design Guide - iF Social Impact Prize 2021

 <p>Saiba mais</p>	<p>Resumo: The iF Social Impact Prize to support projects that contribute to improving the society. If you work towards achieving one or more of the UN Sustainable Development Goals, your project is eligible.</p> <p>Data: Can submit your project any time</p> <p>Valor: The best projects will be honored with a prize money of €100,000.00 in total.</p>
--	---

IIE - Scholar Rescue Fund

 <p>Saiba mais</p>	<p>Resumo: IIE-SRF accepts applications from professors, researchers, and public intellectuals who face threats and cannot continue their work in their home countries. Scholars from any country and in any academic field or discipline may qualify. Applicants are assessed based on academic qualifications and experience, the quality and/or potential of their work, and the urgency of the threats that they face.</p> <p>Data: Applications and nominations are accepted throughout the year.</p> <p>Valor: These year-long fellowships of US\$25,000.00 support temporary academic positions at institutions of higher learning anywhere in the world where IIE-SRF fellows can continue their work in safety.</p>
--	---

JSPS - Invitational Fellowships and Postdoctoral Fellowships for Research in Japan 2023-2024

 <p>Saiba mais</p>	<p>Resumo: The JSPS carries out Programs that provide overseas researchers who have an excellent record of research achievements with an opportunity to conduct collaborative research, discussions, and opinion exchanges with researchers in Japan. These programs are intended to help advance the overseas researchers' research activities while promoting science and internationalization in Japan.</p> <p>Data: "Postdoctoral Fellowships: Standard (P): May 2, 2023 (by 5 p.m. (JST)). Short-term (PE): June 2, 2023 (by 5 p.m. (JST)). Invitational Fellowships: Short-term (S): May 2, 2023 (by 5 p.m. (JST))."</p> <p>Valor: "Postdoctoral Fellowships: Standard (P) - maintenance allowance valued at ¥362,000.00 per month; Short-term (PE) - maintenance allowance valued at ¥362,000.00 per month for PhD holders and ¥200,000.00 per month for non-PhD holders at the time research starts in Japan; Invitational Fellowships: Short-term (S) - maintenance allowance valued at ¥18,000.00 per day."</p>

FNR - Attracting Outstanding Young Researchers from Abroad (Attract) 2023

 Saiba mais	Resumo: The Attracting Outstanding Young Researchers from Abroad (Attract) aims to support the Luxembourg research institutions to expand their competences in research areas defined in the National Research Priorities by attracting outstanding young researchers with high potential to Luxembourg.
	Data: November 15, 2022, 14:00 CET
	Valor: The financial contribution by FNR can be up to EUR €1.5M or €2M for Starting Investigators or Consolidating Investigators, respectively.

Massachusetts Institute of Technology - SOLV[ED] Youth Innovation Challenge 2023

 Saiba mais	Resumo: Young people hold the empathy, power, and ingenuity to solve problems, in their communities, the world, and everywhere in between. Solv[ED] is designed to spark a sense of agency in young people aged 24 and under, encouraging, inspiring, and supporting them to become problem-solvers in their communities and the world.
	Data: January 24, 2023
	Valor: Each of the 10 selected teams will receive at least US\$5,000 in prize funding, and have the opportunity to receive follow-on funding. In addition to prize funding, selected Solv[ED] Innovators will receive mentorship and other support from the MIT Solve community.

Medical Library Association - T. Mark Hodges International Service Award 2022

 Saiba mais	Resumo: The T. Mark Hodges International Service Award is designed to enable MLA to recognize the widest range of achievement in the development of health information services in the international context. It will normally recognize a professional contribution over a sustained period of time, but may also mark a single, outstanding achievement of global significance.
	Data: November 15, 2022, 14:00 CET
	Valor: The awardee receives a certificate at the MLA annual conference and the option of receiving a cash prize of US\$500.00, or a donation from the Medical Library Association (MLA) in the amount of US\$500.00 to a charity of their choice.

NIH - Accelerating the Pace of Drug Abuse Research Using Existing Data (R01)

 Saiba mais	Resumo: The purpose of this Funding Opportunity Announcement (FOA) is to invite applications proposing innovative analysis of existing social science, behavioral, administrative, and neuroimaging data to study the etiology and epidemiology of substance using behaviors (defined as alcohol, tobacco, prescription, and other substances) and related disorders, prevention of substance use and HIV, and health service utilization.
	Data: Expiration Date: November 16, 2024.
	Valor: R01: Application budgets are not limited but need to reflect the actual needs of the proposed project.

NIH - Accelerating the Pace of Drug Abuse Research Using Existing Data (R21)

 Saiba mais	<p>Resumo: The purpose of this Funding Opportunity Announcement (FOA) is to invite applications proposing innovative analysis of existing social science, behavioral, administrative, and neuroimaging data to study the etiology and epidemiology of substance using behaviors (defined as alcohol, tobacco, prescription, and other substances) and related disorders, prevention of substance use and HIV, and health service utilization.</p> <p>Data: Expiration Date: November 16, 2024.</p> <p>Valor: R21: The combined budget for direct costs for the two year project period may not exceed US\$275,000.00. No more than US\$200,000.00 may be requested in any single year.</p>
--	--

NIH - Chronic, Non-Communicable Diseases and Disorders Across the Lifespan: Fogarty International Research Training Award (NCD-LIFESPAN) (D43)

 Saiba mais	<p>Resumo: This funding opportunity announcement (FOA) encourages applications for the Chronic, Non-Communicable Diseases and Disorders Across the Lifespan: Fogarty International Research Training Award (NCD-LIFESPAN) D43 program for institutional research training programs in low-and middle-income countries (LMICs, as defined by the World Bank classification system).</p> <p>Data: "Letter of Intent Due Date: Not Applicable. Application Due Date: July 13, 2023; July 15, 2024. All applications are due by 5:00 PM local time of applicant organization. Expiration Date: July 16, 2024."</p> <p>Valor: Applications may request up to US\$230,000.00 direct costs per year for new awards and US\$250,000.00 per year for renewal awards (total direct costs).</p>
--	--

NIH - Dissemination and Implementation Research in Health (R03/R21/R01)

 Saiba mais	<p>Resumo: The purpose of this Funding Opportunity Announcement (FOA) is to support studies that will identify, develop, and/or test strategies for overcoming barriers to the adoption, adaptation, integration, scale-up, and sustainability of evidence-based interventions, practices, programs, tools, treatments, guidelines, and policies. Studies that promote equitable dissemination and implementation of evidence-based interventions among underrepresented communities are encouraged.</p> <p>Data: "Letter of Intent Due Date: 30 days prior to application due date. Application Due Date: October 16, 2022; February 16, 2023; June 16, 2023; October 16, 2023; February 16, 2024; June 16, 2024; October 16, 2024; February 16, 2025. All applications are due by 5:00 PM local time of applicant organization. Expiration Date: May 08, 2025."</p> <p>Valor: "R03: A budget for direct costs of up to US\$50,000.00 per year may be requested. R21: The combined budget for direct costs for the two-year project period may not exceed US\$275,000.00. No more than US\$200,000.00 may be requested in a single year. R01: Application budgets are not limited but need to reflect the actual needs of the proposed project."</p>
--	---

NIH - Exploratory/Developmental Research Grant Program (Parent R21 Clinical Trial Required)

 Saiba mais	<p>Resumo: The Funding Opportunity Announcement (FOA) aims to support exploratory and developmental research projects by providing support for the early and conceptual stages of projects.</p>
	<p>Data: "Letter of Intent Due Date: not applicable. Application Due Dates: October 16, 5:00 PM local time of applicant organization. Expiration Date: May 8, 2023."</p>
	<p>Valor: The combined budget for direct costs for the two-year project period may not exceed US\$275,000.00. No more than US\$200,000.00 may be requested in any single year.</p>

NIH - HEAL Initiative: Planning Studies for Initial Analgesic Development - Small Molecules and Biologics (R61)

 Saiba mais	<p>Resumo: The goal of this funding opportunity announcement (FOA) is to solicit Initial Analgesic Development R61 applications that propose 2-year exploratory/planning awards that are expected to enable a future application for RFA-NS-21-015 HEAL Initiative: Team Research - for Initial Translational Efforts in Non-addictive Analgesic Development [Small Molecules and Biologics] (U19 Clinical Trial Not Allowed).</p>
	<p>Data: "Letter of Intent Due Date: 30 days prior to application due date. Application Due Dates: October 13, 2021; June 09, 2022; October 11, 2022; June 09, 2023; October 10, 2023. 5:00 PM local time of applicant organization. Expiration Date: October 11, 2023."</p>
	<p>Valor: The direct costs for each year of the project may not exceed US\$500,000.00, including consortium costs.</p>

NIH - Innovative Screening Approaches and Therapies for Screenable Disorders in Newborns (R21/R03/R01)

 Saiba mais	<p>Resumo: This FOA encourages research relevant to the development of novel screening approaches and/or therapeutic interventions for potentially fatal or disabling conditions that have been identified through newborn screening, as well as for "high priority" genetic conditions where screening may be possible in the near future.</p>
	<p>Data: "Letter of Intent Due Date: Not Applicable. Application Due Dates: October 05, 2022; February 05, 2023; June 05, 2023; October 05, 2023; February 05, 2024; June 05, 2024; October 05, 2024. All applications are due by 5:00 PM local time of applicant organization. Expiration Date: November 06, 2024."</p>
	<p>Valor: "R21: Direct costs are limited to US\$275,000.00 over a two-year period, with no more than US\$ 200,000.00 in direct costs allowed in any single year. R03: Application budgets are limited to US\$50,000.00 in direct costs per year. R01: Application budgets are not limited but need to reflect the actual needs of the proposed project."</p>

NIH - International Bioethics Research Training Program (D43)

Saiba mais

Resumo:

The International Bioethics Research Training Program goal of this initiative is to support the mentored training of a sustainable critical mass of bioethics scholars in low and middle-income country (LMIC) research intensive institutions with the capabilities to conduct original empirical or conceptual ethics research that addresses challenging issues in health research and research policy in these countries as well as provide research ethics leadership to their institutions, governments and international research organizations.

Data:

"Letter of Intent Due Date: 30 days before the application due date. Application Due Date: June 06, 2023; June 06, 2024. All applications are due by 5:00 PM local time of applicant organization. Expiration Date: June 07, 2024."

Valor:

Applications may request up to US\$230,000.00 direct costs per year.

NIH - International Research Ethics Education and Curriculum Development Award (R25)

Saiba mais

Resumo:

The NIH Research Education Program (R25) supports research education activities in the mission areas of the NIH. The overarching goal of this R25 program is to support educational activities that foster a better understanding of the ethics of biomedical, behavioral and clinical research and its implications.

Data:

"Letter of Intent Due Date: May 7, 2022, May 6, 2023, May 6, 2024. Application Due Date: June 06, 2023; June 06, 2024. All applications are due by 5:00 PM local time of applicant organization. Expiration Date: June 07, 2024."

Valor:

Applications may request up to US\$230,000.00 direct costs per year.

NIH - Dissemination and Implementation Research in Health (R03/R21/R01)

Saiba mais

Resumo:

The purpose of this Funding Opportunity Announcement (FOA) is to support studies that will identify, develop, and/or test strategies for overcoming barriers to the adoption, adaptation, integration, scale-up, and sustainability of evidence-based interventions, practices, programs, tools, treatments, guidelines, and policies. Studies that promote equitable dissemination and implementation of evidence-based interventions among underrepresented communities are encouraged.

Data:

"Letter of Intent Due Date: 30 days prior to application due date. Application Due Date: October 16, 2022; February 16, 2023; June 16, 2023; October 16, 2023; February 16, 2024; June 16, 2024; October 16, 2024; February 16, 2025. All applications are due by 5:00 PM local time of applicant organization. Expiration Date: May 08, 2025."

Valor:

"R03: A budget for direct costs of up to US\$50,000.00 per year may be requested. R21: The combined budget for direct costs for the two-year project period may not exceed US\$275,000.00. No more than US\$200,000.00 may be requested in a single year. R01: Application budgets are not limited but need to reflect the actual needs of the proposed project."

Population Council - Biomedical Fellowships

 Saiba mais	<p>Resumo: The Population Council offers pre- and postdoctoral Biomedical Fellowships for advanced study in basic and translational reproductive sciences and HIV and AIDS. Fellows train in the laboratories of the Council's Center for Biomedical Research located on the campus of The Rockefeller University in New York City.</p>
	<p>Data: Fellowships are considered and granted on a rolling basis</p>
	<p>Valor: A stipend for expenses associated with the Fellowship and health insurance.</p>

ICUB - Visiting Professors Fellowship Program

 Saiba mais	<p>Resumo: The Visiting Professors Fellowship Program are residential scholarships for a period that can vary between fourteen days and twelve months. The purpose of these fellowships is to foster scientific collaborations and to encourage the development of high-quality international co-operative projects (conferences, courses, research seminars or exploratory workshops).</p>
	<p>Data: Applications can be submitted at any time.</p>
	<p>Valor: For the visiting professors who are staying more than one month and do not have their own source of funding, the stipend is 3500 leu/month. For those who are staying between fourteen days and one month, the stipend is 100 leu/day.</p>

Raos - Yearly Competitions 2022

 Saiba mais	<p>Resumo: In order to stimulate high-quality scientific research regarding problems inherent to overseas regions, the Raos organizes Yearly Competitions. Every year each Section of the Academy puts two questions forward on specific subjects. The work submitted to the competition should be an original and recent (max. five years old) scientific manuscript: a PhD thesis or a work of at least the same level.</p>
	<p>Data: March 1, 2023</p>
	<p>Valor: Each award-winning work in the yearly competition is granted a prize €2,500.00.</p>

RBG - Young Botanical Artist Competition 2022

 Saiba mais	<p>Resumo: The Young Botanical Artist Competition invites budding botanical artists to submit 2D botanical artworks depicting trees, leaves and anything that exists in between. This could be a leaf bud, a branch, a decaying leaf or a moss-coated trunk - any part, big or small, that inspires you!</p>
	<p>Data: November 30th, 2022</p>
	<p>Valor: "There will be two categories: 16-18 and 19-25. Overall winner (1 per category): £750.00 Highly commended (2 per category): £250.00"</p>

Tübitak - Fellowships for Visiting Scientists and Scientists on Sabbatical Leave

 Saiba mais	<p>Resumo: The Scientific and Technological Research Council of Turkey (Tübitak), through the Fellowships for Visiting Scientists and Scientists on Sabbatical Leave, grants fellowships for international scientists/researchers who would like to give workshops/conferences/lectures, or conduct R&D activities in Turkey in the fields of Natural Sciences, Engineering and Technological Sciences, Medical Sciences, Agricultural Sciences, Social Sciences and Humanities. The program aims to promote Turkey's scientific and technological collaboration with countries of the prospective fellows.</p> <p>Data: Applications are accepted on a rolling basis.</p> <p>Valor: For the academicians with the Professorship title maximum 8750 TL/month</p>
---	---

SSRC - The Mercury Project

 Saiba mais	<p>Resumo: The Mercury Project, which alludes to the ancient Roman god Mercury of messages and communication, will fund researchers to discover new, evidence-based, data-driven tools, methods, and interventions to counter mis- and disinformation and to support the spread and uptake of accurate health information.</p> <p>Data: Rolling basis</p> <p>Valor: The Mercury Project will provide \$10M+ in funding for research grants, research sharing tools, and policy development.</p>
---	--

Society for Pediatric Research - Award in Honor of E. Mead Johnson 2023

 Saiba mais	<p>Resumo: Since 1939, the SPR Award in honor of E. Mead Johnson has recognized outstanding clinical and laboratory pediatric research achievements. The most prestigious award presented by the SPR, this honor recognizes E. Mead Johnson's legacy of research excellence and impact on child health that continues to inspire the pediatric community today.</p> <p>Data: Submission Timeline: September 15 - October 31</p> <p>Valor: The award will be presented to one individual annually.</p>
---	--

Society for Pediatric Research - Douglas K. Richardson Award in Perinatal and Pediatric Healthcare 2023

 Saiba mais	<p>Resumo: This award was established to honor Dr. Douglas K. Richardson's contributions to child health services, perinatal and pediatric research, and the Society for Pediatric Research. The award honors the lifetime achievement of an investigator who has made substantive contributions in child health.</p> <p>Data: October 31, 2022</p> <p>Valor: "Economy-level travel expenses and hotel accommodations for 2 nights will be provided to attend the PAS Meeting. Complimentary registration to PAS Meeting will be provided. The awardee will receive an honorarium of US\$500.00 at the PAS Meeting. The awardee will give a Scientific Presentation during PAS Meeting session."</p>
---	---

Society for Pediatric Research - Maureen Andrew Mentor Award 2023

 <p>Saiba mais</p>	<p>Resumo: Established in 2003, the Maureen Andrew Mentor Award honors the contributions of Dr. Maureen Andrew to the field of child health research. The award recognizes outstanding mentor leadership that generates excitement, creativity, and scholarships leading to outstanding research and teaching.</p> <p>Data: October 31, 2022</p> <p>Valor: The award will be presented with a commemorative plaque and an honorarium of US\$1,000.00 during the PAS Meeting. Economy-level travel expenses, hotel accommodations for two nights and meeting registration will be provided.</p>
--	---

ETH Zurich - International PhD Programs in the Life Sciences

 <p>Saiba mais</p>	<p>Resumo: The Life Science Zurich Graduate School consists of several highly competitive PhD programs. We are run jointly by the ETH Zurich and the University of Zurich. Our programs offer research and education opportunities in a stimulating international environment for ambitious students who wish to work towards a PhD degree.</p> <p>Data: Deadlines are 1 July (23:59 CEST) and 1 December (23:59 CET).</p> <p>Valor: Research groups within the Life Science Zurich Graduate School provide financial support in accordance with the Ph.D. student salary set by the Swiss National Science Foundation (at present CHF 47'040.- in the 1st year; 48'540.- in the 2nd year; 50'040.- in the 3rd and 4th year).</p>
--	--

Swiss National Science Foundation - Scientific Exchanges

 <p>Saiba mais</p>	<p>Resumo: The Scientific Exchanges is aimed at researchers who want to host their own scientific event in Switzerland, invite colleagues from abroad for a research visit to Switzerland, or visit their colleagues in another country.</p> <p>Data: All year round (at least four months before the event or visit)</p> <p>Valor: The minimum amount that may be requested in an application is CHF2,500.00, the maximum CHF25,000.00.</p>
--	---

The Company of Biologists - Scientific Meeting Grants 2022

 <p>Saiba mais</p>	<p>Resumo: The Scientific Meeting Grants help finance a range of charitable activities including, but not limited to, in-person, hybrid or virtual meetings, workshops and conferences in the fields relevant to our journals.</p> <p>Data: 07 November 2022 (decision w/c 23 January 2023)</p> <p>Valor: As part of our Sustainable Conferencing Initiative, the new Sustainable Conferencing Grant of typically up to £2,500.00 may also be available to help finance innovative ideas that enable biologists to collaborate proactively whilst minimising their impact on the environment.</p>
--	--

The Franklin Institute - Benjamin Franklin Medals

 Saiba mais	Resumo: The endowed Benjamin Franklin Medals is an annual international competition for individuals whose work has a significant impact in the disciplines of science.
	Data: Nominations are accepted at any time.
	Valor: An honorarium of US\$10,000.00 per award.

Roddenberry Foundation - The Catalyst Fund

 Saiba mais	Resumo: The Catalyst Fund was created because the Roddenberry Foundation believes that philanthropists, and foundations in particular, need to take more risks. As a field it is needed to do more to encourage experimentation, creativity, and innovation from each other and from those organizations and individuals the Roddenberry Foundation supports.
	Data: There is no deadline
	Valor: Grants between US\$2,500.00-US\$15,000.00.

Usaid - Development Innovation Ventures (DIV)

 Saiba mais	Resumo: The Development Innovation Ventures (DIV) is Usaid's open innovation program that tests and scales creative solutions to any global development challenge. By investing in breakthrough innovations driven by rigorous evidence, Usaid impacts millions of lives at a fraction of the usual cost.
	Data: There is no deadline
	Valor: "Stage 1: up to US\$200,000.00; Stage 2: US\$200,000.00 to US\$1,500,000.00; Stage 3: US\$1,500,000.00 to US\$5,000,000.00; Evidence Generation: up to US\$1,500,000.00."

Wellcome Trust - Discovery Awards

 Saiba mais	Resumo: The Discovery Awards scheme provides funding for established researchers and teams from any discipline who want to pursue bold and creative research ideas to deliver significant shifts in understanding that could improve human life, health and wellbeing.
	Data: December 06, 2022
	Valor: A Wellcome Discovery Award provides funding for research expenses.

AvH - Fraunhofer-Bessel Research Award 2022

 Saiba mais	Resumo: Alexander von Humboldt Foundation (AvH) promotes academic cooperation between excellent scientists and scholars from abroad and from Germany.
	Data: There is no deadline
	Valor: €45,000.00

AvH - Humboldt Research Award

 Saiba mais	Resumo: The Alexander von Humboldt Foundation (AvH) is a non-profit foundation established by the Federal Republic of Germany for the promotion of international research cooperation. It enables scholars not resident in Germany to spend extended periods of research in Germany and promotes the ensuing academic contacts. Nominations may be submitted online at any time. However, when planning, please keep in mind that the selection committee meets only twice a year (in March and October).
	Data: Every year, the Alexander von Humboldt Foundation grants up to 100 Humboldt Research Awards to internationally renowned academics from abroad in recognition of their entire academic record to date.
	Valor: €60,000.00 award money (research stay of up to 12 months in Germany possible).

American Chemical Society - Award for Computers in Chemical and Pharmaceutical Research 2024

 Saiba mais	Resumo: The Award for Computers in Chemical and Pharmaceutical Research aims to recognize and encourage the use of computers in the advancement of the chemical and biological sciences.
	Data: November 1, 2022
	Valor: The award consists of US\$5,000.00 and a certificate.

Awesome Foundation - New Chapter

 Saiba mais	Resumo: Most chapters show a strong preference for projects that contribute to their own communities, though some occasionally consider applications from further afield. Try to apply to a chapter near you, in a location where you have roots, or that you think would have a particular interest your idea. If this isn't possible, you can select "Any" on the application form, or apply to one of a handful of thematic chapters.
	Data: There is no deadline
	Valor: US\$1,000.00 grants every month.

Coca-Cola Foundation - Grants Program

Saiba mais

Resumo:

The Coca-Cola Foundation is the global philanthropic arm of The Coca-Cola Company. Its regional foundations strive daily to be responsive to the citizenship priorities in the global communities where we live and work. The Foundation was established in the U.S. as a registered 501(c)(3) charitable organization. The Grants Program supports proposals focused on those initiatives that align with Coca-Cola Foundation's overall Community Investment Priorities.

Data:

There is no deadline

Valor:

There is no dollar limitation.

Colby College - Oak Human Rights Fellowship 2023-2024

Saiba mais

Resumo:

The Oak Institute's 2023-2024 theme is Health and Human Rights. Our goal is to identify a practitioner who works tirelessly in defending one of our most basic and essential rights as human beings.

Data:

November 30, 2022

Valor:

In addition to a US\$36,000.00 stipend, the fellowship includes health benefits, housing, a campus meal plan, and transportation.

Confap - Horizon Europe

Saiba mais

Resumo:

A expectativa é que este programa ajude a fortalecer a base de conhecimento europeia por meio de pesquisas de fronteira, estimular inovações e apoiar o desenvolvimento e a demonstração de soluções inovadoras, além de ajudar a restaurar a indústria e a economia, ao mesmo tempo em que se enfrenta a pandemia de coronavírus e os desafios climáticos.

Data:

31 de dezembro de 2027

Valor:

A Comissão propõe um orçamento de 100 mil milhões de EUR.

Confap - Parceria CONFAP & Australian Department of Education, Skills and Employment (DESE)

Saiba mais

Resumo:

O Memorando de Entendimento (MoU) entre o Conselho Nacional das Fundações Estaduais de Amparo à Pesquisa (CONFAP) e Australian Department of Education, Skills and Employment (DESE) viabiliza atividades que motivam pesquisadores australianos e brasileiros a atuarem conjuntamente em projetos de pesquisa

Data:

13 de dezembro de 2025

Valor:

Quaisquer projetos em conjunto podem ser encaminhados para a análise de um fundo australiano, de acordo com as referências mencionadas em Parceria com a Austrália em Inovação, Ciência e Pesquisa.

Confap - Prêmio CONFAP de Ciência, Tecnologia e Inovação - Professora Odete Fátima Machado Da Silveira 2022

 Saiba mais	Resumo: O Prêmio CONFAP de Ciência, Tecnologia e Inovação "Professora Odete Fátima Machado da Silveira" (Edição 2022) será concedido a pesquisadores(as) que se destacaram em pesquisas científicas, tecnológicas e de inovação
	Data: 04 de Novembro de 2022
	Valor: Primeiro lugar receberão R\$ 10.000,00, segundo lugar R\$ 6.000,00 e terceiro lugar R\$ 3.000,00

DRCLAS - Visiting Scholars Program 2023/2024

 Saiba mais	Resumo: Through the Visiting Scholars Program, the DRCLAS selects each year a number of distinguished academics and professionals who wish spend one or two semesters at Harvard working on their own research and writing projects.
	Data: November 7, 2022
	Valor: The residential fellowships cover round-trip travel expenses (up to US\$4,000 and taxable), emergency-only health insurance coverage (for the foreign Visiting Scholar or Fellow and accompanying immediate family), and a taxable US\$35,000 living stipend while at Harvard.

DRK Foundation - Funding

 Saiba mais	Resumo: Through the Funding, the DRK Foundation seeks to dramatically improve the lives of people and the world around us through innovative strategies, systems changing approaches, and disrupting technologies. The Foundation goal is to find social entrepreneurs with dynamic ideas and nurture them at the early stages with maximum leverage and total commitment.
	Data: There is no deadline
	Valor: The DRK investments are distributed twice a year over a three-year term, totaling US\$300,000.00.

European Research Council - Synergy Grants 2023

 Saiba mais	Resumo: The ERC Synergy Grant is part of the main ERC frontier research grants 2023 funded by the European Union's Horizon Europe Framework Programme for Research and Innovation. The ERC's frontier research grants aim to empower individual researchers and provide the best settings to foster their creativity. Scientific excellence is the sole criterion of evaluation in all ERC frontier research grants
	Data: November 09, 2022
	Valor: Synergy Grant can be up to a maximum of EUR 10.000.000,00 for a period of 6 years. For projects of shorter duration the maximum size of the grant is reduced pro rata.

EUTOPIA-SIF Post-Doctoral Fellowship - Call for applications 2023/2023

 Saiba mais	<p>Resumo: EUTOPIA-SIF fellowships offer the opportunity to high-profile young researchers to develop their own research projects in the stimulating academic environment of the EUTOPIA Alliance.</p>
	<p>Data: December 15, 2022</p>
	<p>Valor: 2-year employment contract as a Marie Skłodowska-Curie COFUND fellow at one of the EUTOPIA universities, with a monthly average gross salary of 4.349 € and a supplementary budget for research and travel expenses.</p>

EDITAIS INTERNACIONAIS ANTERIORES AINDA EM VIGÊNCIA

NIH - Urgent Award: COVID-19 Mental Health Research (R01/R21)

 Saiba mais	<p>Resumo: NIMH is issuing this FOA in response to the declared public health emergency issued by the Secretary, HHS, for 2019 Novel Coronavirus (COVID-19). See "Determination that a Public Health Emergency Exists Nationwide as the Result of the 2019 Novel Coronavirus" as renewed in "Renewal of the Determination that a Public Health Emergency Exists Nationwide as the Result of the Continued Consequences of Coronavirus Disease 2019 (COVID-19) Pandemic".</p>
	<p>Data: December 24, 2022</p>
	<p>Valor: Application budgets are limited to US\$750,000.00.</p>

NIH - HEAL Initiative: Discovery and Functional Evaluation of Human Pain-associated Genes & Cells (U19)

 Saiba mais	<p>Resumo: The purpose of this funding opportunity announcement is to support research that uses human tissue or cells to generate comprehensive datasets for the discovery and characterization of functional genetic elements, epigenetic signatures, and molecular/cellular pathways that underlie human pain transduction, transmission, and processing.</p>
	<p>Data: March 10, 2023.</p>
	<p>Valor: Application budgets are limited to direct costs of \$1.5 million.</p>

NIH - Opportunities for Collaborative Research at the NIH Clinical Center (X02/U01)

 Saiba mais	<p>Resumo: The objective is to support collaborative translational research projects aligned with NIH efforts to enhance the translation of basic biological discoveries into clinical applications that improve health. It encourages high quality science demonstrating the potential to result in understanding an important disease process or lead to new therapeutic interventions, diagnostics, or prevention strategies within the research interests and priorities of the participating NIH Institutes/Centers (ICs).</p>
	<p>Data: April 19, 2024.</p>
	<p>Valor: The maximum amount available per application is US\$500,000.00 direct costs per year.</p>
