### Editais Nacionais

#### NOVOS EDITAIS NACIONAIS

#### Edital FAPEMA no 09/2023 - Prêmio FAPEMA Bicentenário Gonçalves Dias

 <b>Saiba mais</b>	<p><b>Resumo:</b> Com o propósito de incentivar a produção científica, o Prêmio FAPEMA homenageia Pesquisadores Juniores, Jovens Cientistas, Mestres, Doutores, Pesquisadores Seniores, Jornalistas e Inovadores Tecnológicos, além do reconhecimento popular da categoria Popvídeo Ciências.</p> <p><b>Data:</b> 01 de setembro de 2023.</p> <p><b>Valor:</b> R\$205.000,00.</p>
--------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

#### Prêmio Péter Murányi 2024 - Ciência & Tecnologia

 <b>Saiba mais</b>	<p><b>Resumo:</b> A Fundação Péter Murányi torna público o presente Edital do PRÊMIO PÉTER MURÁNYI 2024 – CIÊNCIA &amp; TECNOLOGIA (PPM 2024), ressaltando que somente serão aceitos para concorrer nesta edição, Trabalhos na área de Ciência &amp; Tecnologia. O prêmio é concedido anualmente à pessoa física ou grupo de pessoas, de qualquer parte do Brasil, que mais tenha se destacado na descoberta ou progresso científico que beneficie o desenvolvimento e bem-estar das populações situadas abaixo do paralelo 20 de latitude norte, em 4 áreas: saúde, ciência e tecnologia, alimentação e educação.</p> <p><b>Data:</b> 31 de agosto de 2023.</p> <p><b>Valor:</b> Mais informações no site.</p>
----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

#### Museu do Amanhã - Prêmio Elisa Frota Pessoa

 <b>Saiba mais</b>	<p><b>Resumo:</b> O Concurso consistirá na seleção e premiação financeira dos melhores artigos científicos, tendo como tema: A ciência e a tecnologia na promoção da igualdade de gênero.</p> <p><b>Data:</b> 31 de agosto de 2023.</p> <p><b>Valor:</b> Serão premiados, por ordem, o 1º e 2º melhor artigo acadêmico para cada categoria, totalizando 24 (vinte e quatro) artigos premiados.</p>
----------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

#### Volvo - Patrocínios Corporativos e Doações

 <b>Saiba mais</b>	<p><b>Resumo:</b> Nesse contexto, a Volvo considera os Patrocínios Corporativos e Doações uma ação que envolve quatro partes essenciais: a empresa, o projeto patrocinado/apoiado por meio de doação, seu empreendedor e o público beneficiado.</p> <p><b>Data:</b> Verificar o edital.</p> <p><b>Valor:</b> Não há limites de recursos pré-estabelecidos para os patrocínios aos projetos.</p>
----------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Confap/ CDTI - Chamada Expressão de Interesse Brasil (CONFAP) - Espanha (CDTI) 2022-2023 para projetos de colaboração em pesquisa e inovação tecnológica

 Saiba mais	<p><b>Resumo:</b> A Chamada de Expressão de Interesse Brasil (CONFAP) - Espanha (CDTI) 2022-2023 para projetos de colaboração em pesquisa e inovação tecnológica abrange propostas de qualquer setor de atividades. O CDTI e o CONFAP prestarão orientação aos participantes dos projetos durante a preparação e apresentação das propostas.</p> <p><b>Data:</b> 15 de setembro de 2023.</p> <p><b>Valor:</b> Os projetos apoiados devem ter um orçamento total mínimo de 250.000,00 Euros.</p>
-------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Chamada Pública MCTI/CNPq nº 14/2023 - Apoio a Projetos Intencionais de Pesquisa Científica, Tecnológica e de Inovação

 Saiba mais	<p><b>Resumo:</b> Fomentar propostas de projetos internacionais de pesquisa que visem contribuir para o desenvolvimento científico, tecnológico e a inovação do país, por meio da concessão de bolsas no exterior e recursos de custeio, em todas as áreas do conhecimento.</p> <p><b>Data:</b> 01 de setembro de 2023.</p> <p><b>Valor:</b> R\$ 55.000.000,00 (Cinquenta e cinco milhões de reais).</p>
-------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Embrapii- Basic Funding Alliance em Saúde

 Saiba mais	<p><b>Resumo:</b> A Empresa Brasileira de Pesquisa e Inovação Industrial – EMBRAPII, vem com o objetivo de disciplinar as regras para submissão de projetos de pesquisa e desenvolvimento (P&amp;D) na modalidade Basic Funding Alliance, cujo escopo inicie-se no nível de maturidade tecnológica TRL 2 e atinja pelo menos o nível de maturidade tecnológica TRL 4.</p> <p><b>Data:</b> 27 de março de 2024, ou até que se esgote o orçamento disponibilizado pela Embrapii, podendo ser prorrogado caso haja novo aporte de recursos.</p> <p><b>Valor:</b> O valor total de recursos será de R\$ 15.000.000,00 (quinze milhões de reais).</p>
---------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## EDITAIS NACIONAIS ANTERIORES EM VIGÊNCIA

### Confap - Horizon Europe

 Saiba mais	<p><b>Resumo:</b> O Horizon Europe é o nono programa-quadro europeu de Pesquisa e Inovação (2021-2027). A expectativa é que este programa ajude a fortalecer a base de conhecimento europeia por meio de pesquisas de fronteira, estimular inovações e apoiar o desenvolvimento e a demonstração de soluções inovadoras, além de ajudar a restaurar a indústria e a economia, ao mesmo tempo em que se enfrenta a pandemia de coronavírus e os desafios climáticos.</p> <p><b>Data:</b> 31 de dezembro de 2027.</p> <p><b>Valor:</b> A Comissão propõe um orçamento de 100 mil milhões de EUR.</p>
---------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Edital Capes nº14/2022 - Programa de Bolsas para Pesquisa Capes/Humboldt

Saiba mais

**Resumo:**

O Edital Capes nº14/2022 torna pública a seleção de bolsista para o Programa de Bolsas para Pesquisa Capes/Humboldt. O Programa é uma iniciativa da Capes em cooperação com a Fundação Alexander von Humboldt (AvH).

**Data:**

Chamada 21: 30 de novembro de 2023, até às 17h (horário de Brasília);

**Valor:**

Bolsa mensal - € 2.600,00 (dois mil e seiscientos euros) referente a mensalidade da modalidade pós-doutorado e € 3.100,00 (três mil e cem euros) referente a mensalidade da modalidade pesquisador experiente, dentre outros benefícios.

### Klabin Transforma - Banco de Projetos

Saiba mais

**Resumo:**

O edital fixo Klabin Transforma busca apoiar iniciativas que estejam alinhadas à Política de Doações e Patrocínios da Klabin, que possui quatro linhas de atuação: desenvolvimento local, educação, cidadania por meio da cultura e esporte e educação ambiental.

**Data:**

Fluxo Contínuo.

**Valor:**

Não há valor preestabelecido.

### Confap - Parceria CONFAP & Australian Department of Education, Skills, and Employment (DESE)

Saiba mais

**Resumo:**

O Memorando de Entendimento (MoU) entre o Conselho Nacional das Fundações Estaduais de Amparo à Pesquisa (CONFAP) e Australian Department of Education, Skills and Employment (DESE) viabiliza atividades que motivam pesquisadores australianos e brasileiros a atuarem conjuntamente em projetos de pesquisa; possibilita a mobilidade de pesquisadores, alunos de pós-doutorado e alunos de pósgraduação (incluindo doutorado e mestrado) entre os países (quando for autorizado a mobilidade pelas autoridades sanitárias de ambos os países em razão da pandemia de Covid-19); a realização de seminários, workshops e publicações para promover os resultados das atividades conjuntas; e a preparação e coordenação de outras atividades em conjunto que possibilitem o intercâmbio científico entre o Brasil e a Austrália.

**Data:**

13 de dezembro de 2025.

**Valor:**

Quaisquer projetos em conjunto podem ser encaminhados para a análises de um fundo australiano, de acordo com as referências mencionadas em Parceria com a Austrália em Inovação, Ciência e Pesquisa ou para outra possibilidade de financiamento disponível na época na Austrália.

### Programa Vivo de Patrocínios Culturais

Saiba mais

**Resumo:**

Por meio do Programa de Patrocínios Culturais, a Telefônica Vivo apoia iniciativas que contribuam para o desenvolvimento do país e da sociedade como um todo. A empresa busca projetos inovadores que tragam conhecimento, diversidade, empreendedorismo, criatividade e que tenham a capacidade de conectar ideias e pessoas em novas experiências.

**Data:**

Fluxo contínuo

**Valor:**

Nenhum projeto poderá representar mais de 10% do orçamento anual de Patrocínios.

## Programa de Patrocínio da Vale

 <b>Saiba mais</b>	<p><b>Resumo:</b> A Vale, por meio do Programa de Patrocínios, investe em diversas iniciativas que contribuem com o desenvolvimento de nossa sociedade, pois acredita no potencial transformador da cultura e do conhecimento. Em todo o país, são apoiados diversos projetos nos segmentos Cultural e Técnico institucional.</p> <p><b>Data:</b> Fluxo contínuo.</p> <p><b>Valor:</b> Não há um valor fixo a ser financiado.</p>
--------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Instituto NET Claro Embratel - Projetos e Patrocínios

 <b>Saiba mais</b>	<p><b>Resumo:</b> Os Projetos e Patrocínios são importantes pilares estratégicos na construção de um amanhã gigante e a NET, Claro e Embratel acreditam e investem em um futuro melhor. As iniciativas apoiadas são nas seguintes áreas: · Educação: apoiam, patrocinam e desenvolvem programas que promovem o conhecimento em tecnologia e inovação; · Cultura: patrocinam salas de cinema, shows, teatros e mantêm muitos projetos culturais; · Cidadania e Meio Ambiente: cuidar do meio ambiente, incentivar a inclusão social, estimular o desenvolvimento pessoal e dar acesso à tecnologia são atitudes necessárias que colocam o Instituto em prática para proporcionar um futuro melhor; e · Esporte: patrocinam eventos esportivos que trazem emoção de todas as formas, com experiências diferenciadas e inovadoras.</p> <p><b>Data:</b> Fluxo contínuo. Os projetos devem ser submetidos para avaliação com maior antecedência possível em relação a sua realização e o prazo para retorno é de 150 dias.</p> <p><b>Valor:</b> Não há valor máximo ou mínimo estipulado.</p>
--------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Editais Internacionais

### NOVOS EDITAIS INTERNACIONAIS

#### A.J. Muste Memorial Institute - International Nonviolence Training Fund (INTF)

 <b>Saiba mais</b>	<p><b>Resumo:</b> The International Nonviolence Training Fund (INTF) aims to specifically support nonviolence trainings which prepare participants for specific nonviolent actions or campaigns. Nonviolence trainings seek to help people develop and improve the skills they need to confront systemic injustice through organized, principled, nonviolent action.</p> <p><b>Data:</b> The deadlines for proposals are the first Friday in March, September, and December.</p> <p><b>Valor:</b> The maximum grant amount is US\$4,000.00.</p>
----------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

#### Swiss Government Excellence Scholarships - Foreign Scholars 2024-2025

 <b>Saiba mais</b>	<p><b>Resumo:</b> The research scholarship (research fellowship, PhD, Postdoc) is available to post-graduate researchers in any discipline (who hold a master's degree is the minimum qualification required) who are planning to come to Switzerland to pursue research or further studies at doctoral or post-doctoral level.</p> <p><b>Data:</b> October 27, 2023.</p> <p><b>Valor:</b> Information can be found at the website.</p>
----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### AAUW - International Fellowships 2024/2025

 <b>Saiba mais</b>	<b>Resumo:</b> The program provides support for women pursuing full-time graduate or postdoctoral study in the United States to women who are not U.S. citizens or permanent residents, and who intend to return to their home country to pursue a professional career.
	<b>Data:</b> November 15, 2023.
	<b>Valor:</b> Master's/first professional degree: U\$20,000 / Doctoral: U\$25,000 / Postdoctoral: U\$50,000.

### Alfried Krupp Wissenschaftskolleg - Fellowships 2024/2025

 <b>Saiba mais</b>	<b>Resumo:</b> Through the Fellowship Program of the Alfried Krupp Wissenschaftskolleg, senior and younger scholars are given the opportunity to concentrate on a major piece of research, free from teaching and administrative obligations of ordinary university life. Alfried Krupp Fellows are expected to co-operate with colleagues from the University of Greifswald. Fellows will be invited either for one semester or for a full academic year.
	<b>Data:</b> August 31, 2023.
	<b>Valor:</b> More information at the website.

### Bridport Prize International - Memoir Award

 <b>Saiba mais</b>	<b>Resumo:</b> We are committed to discovering and championing new writers in poetry, short story, flash fiction, novel and memoir. Our alumni read like a Who's Who of the literary world: Kate Atkinson MBE, Gail Honeyman and Kit de Waal.
	<b>Data:</b> September 30, 2023.
	<b>Valor:</b> Information can be found at the website.

### EUI - Max Weber Fellowships 2024-2025

 <b>Saiba mais</b>	<b>Resumo:</b> The Programme is highly selective, with an annual acceptance rate of <5% for a total of 55-60 Fellowships in the fields of political and social sciences, economics, law, and history. Preference is given to applicants who have only just completed their doctorate and have not had a postdoctoral fellowship before. Selected Fellows will benefit from the stimulating combination of a global programme located in the heart of Europe offering a broad menu of multidisciplinary and disciplinary activities.
	<b>Data:</b> October 18, 2023.
	<b>Valor:</b> The basic grant is currently 2,070 EUR per month.

## Horizon Europe - MSCA postdoctoral Fellowships (2023/24)

 Saiba mais	<p><b>Resumo:</b> The goal of MSCA Postdoctoral Fellowships is to enhance the creative and innovative potential of researchers holding a PhD, wishing to acquire new skills through advanced training, international, intersectoral and interdisciplinary mobility. MSCA Postdoctoral Fellowships are open to excellent researchers of any nationality, including researchers wishing to reintegrate in Europe, researchers who are displaced by conflict as well as researchers with high potential aiming for a career restart in research.</p> <p><b>Data:</b> September 13, 2023.</p> <p><b>Valor:</b> Information can be found at the website.</p>
-------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## European Research Council - Synergy Grants 2024

 Saiba mais	<p><b>Resumo:</b> The ERC Synergy Grant is part of the main ERC frontier research grants 2023 funded by the European Union's Horizon Europe Framework Programme for Research and Innovation. The ERC's frontier research grants aim to empower individual researchers and provide the best settings to foster their creativity. Scientific excellence is the sole criterion of evaluation in all ERC frontier research grants</p> <p><b>Data:</b> October 24, 2023.</p> <p><b>Valor:</b> Synergy Grants can be up to a maximum of € 10 million for a period of 6 years (pro rata for projects of shorter duration).</p>
-------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## European Research Council - Starting Grants 2024

 Saiba mais	<p><b>Resumo:</b> The ERC Starting Grants are designed to support excellent Principal Investigators at the career stage at which they are starting their own independent research team or programme. Principal Investigators must demonstrate the ground-breaking nature, ambition, and feasibility of their research proposal. ERC grants support projects carried out by an individual researcher who can employ researchers of any nationality as team members. It is also possible to have one or more team members located in a non-European country.</p> <p><b>Data:</b> October 24, 2023.</p> <p><b>Valor:</b> Up to EUR 10.000.000 for a period of 6 years. Additional funding up to EUR 4.000.000.</p>
---------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## EUI - Fernand Braudel Senior Fellowships

 Saiba mais	<p><b>Resumo:</b> Fernand Braudel Senior Fellowships provide a framework for established academics with an international reputation to pursue their research at the EUI.</p> <p><b>Data:</b> September 30, 2023.</p> <p><b>Valor:</b> The monthly stipend is € 3,000.</p>
---------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Andrew W. Mellon Foundation - Grant Proposals 2023

 <b>Saiba mais</b>	<b>Resumo:</b> The Foundation supports Grant Proposals in a wide range of initiatives to strengthen the humanities, arts, higher education, and cultural heritage.
	<b>Data:</b> Grants are accepted continuously on a rolling basis.
	<b>Valor:</b> Up to US\$150,000.00.

### Library of Congress - Kluge Fellowships in Digital Studies 2023

 <b>Saiba mais</b>	<b>Resumo:</b> The Kluge Fellowship in Digital Studies provides an opportunity for scholars to utilize digital methods, the Library's large and varied digital collections and resources, curatorial expertise, and an emerging community of digital scholarship practitioners.
	<b>Data:</b> September 15, 2023.
	<b>Valor:</b> US\$5,000.00 per month up to eleven months.

### Library of Congress - Kluge Fellowships 2023

 <b>Saiba mais</b>	<b>Resumo:</b> The Fellowship is open to scholars in the humanities and social sciences with special consideration given to those whose projects demonstrate relevance to contemporary challenges. Twelve fellowships are awarded each year for a period of four to eleven months.
	<b>Data:</b> September 15, 2023.
	<b>Valor:</b> Fellowships are tenable for periods from four to eleven months at a stipend of US\$5,000.00 per month for residential research at the Library of Congress.

### Lantos Foundation for Human Rights & Justice - Front Line Fund 2023

 <b>Saiba mais</b>	<b>Resumo:</b> The Lantos Foundation Front Line Fund Grant Program aims to award small grants to assist brave individuals and organizations in their fight against injustices around the world. Projects must be directly related to human rights.
	<b>Data:</b> Applications can be submitted at any time.
	<b>Valor:</b> Average grants awarded are under US\$2,500.00.

## Harvard Academy for International and Area Studies - Academy Scholars Program 2024

 <b>Saiba mais</b>	<p><b>Resumo:</b> The Academy Scholars Program identifies and supports outstanding scholars at the start of their careers whose work combines disciplinary excellence in the social sciences (including history and law) with a command of the language, history, or culture of non-Western countries or regions outside of the United States or Canada.</p> <p><b>Data:</b> September 22, 2023.</p> <p><b>Valor:</b> Information can be found at the website.</p>
--------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## iF Social Impact Prize 2023

 <b>Saiba mais</b>	<p><b>Resumo:</b> The iF SOCIAL IMPACT PRIZE supports projects that contribute to improving our society. If you work towards achieving one or more of the UN Sustainable Development Goals, your project is eligible.</p> <p><b>Data:</b> In 2023, the evaluation periods are: After 09 May 2023; After 25 September 2023.</p> <p><b>Valor:</b> The best projects will be honored with a prize money of €100,000.00 in total.</p>
--------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Hello Tomorrow - 9th Edition Global Challenge

 <b>Saiba mais</b>	<p><b>Resumo:</b> The Hello Tomorrow Global Challenge is a worldwide renowned science &amp; technology startup competition designed specifically to address the needs of deep tech entrepreneurs across several different industries and technologies. The Challenge was created in 2013 by deep tech entrepreneur Xavier Duportet and Arnaud De La Tour, at the time both PhD students, who realised that the resources needed to propel emerging technologies were different from those of traditional web and mobile innovations.</p> <p><b>Data:</b> September 22, 2023.</p> <p><b>Valor:</b> Information can be found at the website.</p>
----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## iF World Design Guide - iF Social Impact Prize 2021

 <b>Saiba mais</b>	<p><b>Resumo:</b> The iF Social Impact Prize to support projects that contribute to improving the society. If you work towards achieving one or more of the UN Sustainable Development Goals, your project is eligible.</p> <p><b>Data:</b> Deadline for the second selection is September 25, 2023.</p> <p><b>Valor:</b> The best projects will be honored with a prize money of €100,000.00 in total.</p>
----------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## JSPS - Invitational Fellowships and Postdoctoral Fellowships for Research in Japan 2024

 <b>Saiba mais</b>	<p><b>Resumo:</b> The JSPS carries out Programs that provide overseas researchers who have an excellent record of research achievements with an opportunity to conduct collaborative research, discussions, and opinion exchanges with researchers in Japan. These programs are intended to help advance the overseas researchers' research activities while promoting science and internationalization in Japan.</p> <p><b>Data:</b> September 1, 2023.</p> <p><b>Valor:</b> Information can be found at the website.</p>
--------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## AvH - German Chancellor Fellowship

 <b>Saiba mais</b>	<p><b>Resumo:</b> The AvH's German Chancellor Fellowship Programme is targeted at university graduates from the United States, the Russian Federation, the People's Republic of China, Brazil and India who have an international outlook and initial leadership experience.</p> <p><b>Data:</b> October 15, 2023.</p> <p><b>Valor:</b> The fellowship grant amounts to €2,000.00, €2,300.00 or €2,600.00 per month, depending on the applicant's qualifications.</p>
--------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## IASH-SSPS Visiting Research Fellowships 2024

 <b>Saiba mais</b>	<p><b>Resumo:</b> We would particularly welcome applications linked to the themes of the new Institute Project on Decoloniality (IPD'24) taking place at IASH from 2021 to 2024. This project invites scholars from around the world to visit Edinburgh and conduct research on the theme of decoloniality, broadly understood.</p> <p><b>Data:</b> February 23, 2024 at 17:00 GMT.</p> <p><b>Valor:</b> These fellowships are usually for a duration of one semester (3-4 months), and not less than 2 months, and are usually funded at approximately £1,300-£3,900 as a contribution towards additional living costs, and/or travel grants of up to £500.</p>
----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Global Fund for Women - General Support Grants 2021

 <b>Saiba mais</b>	<p><b>Resumo:</b> The General Support Grants aims to invest in women's groups that advance the human rights of women and girls. Global Fund strengthen women-led groups based outside the United States by providing grants for operating and project expenses.</p> <p><b>Data:</b> There is no deadline to register the organization.</p> <p><b>Valor:</b> Grants ranges from US\$5,000.00 to US\$30,000.00 per year for operating and project expenses.</p>
----------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Harry Ransom Center - Research Fellowships in the Humanities 2024/2025

 Saiba mais	<b>Resumo:</b> The Research Fellowships in the Humanities will award up to 60 research fellowships for projects that require substantial on-site use of its collections. The collections support research in all areas of the humanities, including literature, photography, film, art, the performing arts, music, and cultural history.
	<b>Data:</b> November 1, 2023.
	<b>Valor:</b> One to Three Month Fellowships: U\$3,500 Per month.

### Kellogg Institute for International Studies - Visiting Fellowships 2024/2025

 Saiba mais	<b>Resumo:</b> The Visiting Fellowships aim to promote interdisciplinary international research in a supportive community of scholars. The residential program offers time to the fellows pursue scholarly inquiry where it takes his/her, advance his/her personal research, and collaborate with other scholars and practitioners from across the US and around the globe. The fellow will pursue research related to Kellogg Institute themes of democracy and human development, share their research with the Notre Dame scholarly community, and have the opportunity to publish in Kellogg's peer-reviewed Working Paper Series.
	<b>Data:</b> October 1, 2023.
	<b>Valor:</b> Information can be found at the website.

### National Humanities Center - Residential Fellowships 2024/2025

 Saiba mais	<b>Resumo:</b> Through the Residential Fellowships fellows are given the freedom to work on their projects while benefiting from the exceptional services of the Center.
	<b>Data:</b> October 5, 2023.
	<b>Valor:</b> The amounts awarded are individually determined, according to the needs of the Fellow and the Center's ability to meet them. The Center seeks to provide half salary up to US\$70,000.00.

### Radcliffe Institute at Harvard University - Fellowship Program 2024/2025

 Saiba mais	<b>Resumo:</b> Harvard Radcliffe Fellows benefit from a uniquely interdisciplinary and creative community that each year spans the sciences, arts, humanities, and professions. This diversity of approaches and expertise sets our program apart from other fellowship opportunities. With access to Harvard's unparalleled resources, Harvard Radcliffe Fellows can dive deeply into their projects, while engaging with scholars, writers, and practitioners with whom they might not otherwise have the opportunity to connect. Along with their cohort, Radcliffe Fellows join an exceptional network of alumni making an impact in their professional fields and in the larger world.
	<b>Data:</b> The deadline for applications in humanities, social sciences, and creative arts is September 14, 2023. The deadline for applications in science, engineering, and mathematics is October 5, 2023.
	<b>Valor:</b> Fellows receive a stipend of \$78,000 plus an additional \$5,000 to cover project expenses.

### Rockefeller Archive Center - Research Stipend Program 2024

 Saiba mais	<p><b>Resumo:</b> The Rockefeller Archive Center's Research Stipend Program aims to foster, promote, and support research by serious scholars in the collections located at the Rockefeller Archive Center.</p>
	<p><b>Data:</b> November 3, 2023.</p>
	<p><b>Valor:</b> The Rockefeller Archive Center's competitive research stipend program provides awards of up to US\$5,000.00 for reimbursement of receipted expenses for travel and accommodation in conjunction with research conducted at the RAC.</p>

### Russell Sage Foundation - Immigration and Immigrant Integration 2023

 Saiba mais	<p><b>Resumo:</b> The Program on Immigration and Immigrant Integration seeks to support innovative research on the effects of race, citizenship, legal status and politics, political culture and public policy on outcomes for immigrants and for the native-born of different racial and ethnic groups and generations.</p>
	<p><b>Data:</b> November 7, 2023.</p>
	<p><b>Valor:</b> Trustee Grants are generally capped at US\$175,000.00, including 15% indirect costs, over a two-year period.</p>

### Russell Sage Foundation - Program on the Future of Work

 Saiba mais	<p><b>Resumo:</b> The Program on the Future of Work supports innovative research on the causes and consequences of changes in the quality of jobs for less- and moderately skilled workers and their families. We seek investigator-initiated research proposals that will broaden our understanding of the role of changes in employer practices, the nature of the labor market and public policies on employment, earnings, and job quality. We are especially interested in proposals that address questions about the interplay of market and non-market forces in shaping the wellbeing of workers, today and in the future.</p>
	<p><b>Data:</b> November 7, 2023.</p>
	<p><b>Valor:</b> Trustee Grants are capped at US\$200,000, including 15% indirect costs, over a two-year period.</p>

### Russell Sage Foundation - Program Race, Ethnicity, and Immigration 2023

 Saiba mais	<p><b>Resumo:</b> The Program on Race, Ethnicity &amp; Immigration supports innovative investigator-initiated research on the social, economic, and political effects of the changing racial and ethnic composition of the U.S. population, including the transformation of communities and ideas about what it means to be American. We are especially interested in research that examines the roles of race, ethnicity, nativity, gender and legal status in outcomes for immigrants, U.S.-born racial and ethnic minorities, and native-born whites.</p>
	<p><b>Data:</b> November 7, 2023.</p>
	<p><b>Valor:</b> Trustee Grants are capped at US\$200,000.00, including 15% indirect costs, over a two-year period.</p>

### Russell Sage Foundation - Social, Political and Economic Inequality 2023

----------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### UNESCO - Equatorial Guinea International Prize for Research in the Life Sciences 2023

 <b>Saiba mais</b>	<p><b>Resumo:</b> Life sciences hold the key to a better future, as they contribute to poverty eradication, improved health, food and water security. The core objectives of the Prize is to encourage research, enhance collaboration amongst researchers and reinforce networks of centers of excellence in the life sciences towards these goals. The Prize was established by UNESCO's Executive Board, to support the achievement of the 2030 Agenda for Sustainable Development as well as UNESCO's global priorities.</p> <p><b>Data:</b> October 31, 2023.</p> <p><b>Valor:</b> he Prize, funded by the Republic of Equatorial Guinea, is given annually to a maximum of three laureates. They receive a monetary award of USD 350,000 divided equally among laureates, to help further their research, together with a certificate and the "Integracion Tribal" statuette by Equatorial Guinean artist Leandro Mbomio.</p>
----------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## University of Bonn - Distinguished Professors Emeriti Appointments

 <b>Saiba mais</b>	<p><b>Resumo:</b> The purpose of this call is to recruit retired international academics to work at the University of Bonn for, generally, a period of two years. Distinguished Professors Emeriti positions serve to enhance teaching in the degree programs and research in the Transdisciplinary Research Areas (TRAs) at the University of Bonn, thus contributing to academic excellence and making the TRAs more international.</p> <p><b>Data:</b> For a starting date of the professorship on or before November 15, 2023: August 1, 2023; For a starting date of the professorship on April 01, 2024 or October 01, 2024: September 25, 2023.</p> <p><b>Valor:</b> Information can be found at the website.</p>
--------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## NDIAS - Faculty Fellowships 2024/2025

 <b>Saiba mais</b>	<p><b>Resumo:</b> Faculty Fellowships are open to scholars, scientists, social scientists, and artists in all disciplines who are conducting research related to The Public. Faculty fellows typically have a faculty appointment at their home institution, but the fellowships are also open to independent researchers, public practitioners, postdoctoral scholars, and those who have recently received their Ph.D. (or equivalent terminal) degree.</p> <p><b>Data:</b> October 2, 2023.</p> <p><b>Valor:</b> Information can be found at the website.</p>
--------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## University of Nottingham - Nottingham Research and Anne McLaren fellowships 2024

 <b>Saiba mais</b>	<p><b>Resumo:</b> Fellows are essential to our mission to deliver exceptional research that transforms lives in the UK and across the world. They are the research leaders of tomorrow, working with inspirational pioneers from across disciplines to find solutions to complex global problems.</p> <p><b>Data:</b> October 6, 2023.</p> <p><b>Valor:</b> Three years' independent research funding, covering salary costs at c. £43,155 to £54,421.</p>
----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## University of Western Australia - International Postgraduate Research Scholarships (IPRS)

 <b>Saiba mais</b>	<p><b>Resumo:</b> Applications are invited for the International Postgraduate Research Scholarships (IPRS) to undertake the degree of Master by Research or Doctorate by Research at The University of Western Australia. Application for a scholarship is also an application for admission to the University.</p> <p><b>Data:</b> August 31, 2023.</p> <p><b>Valor:</b> Not disclosed.</p>
----------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Wellcome Trust - Career Development Awards

 Saiba mais	<p><b>Resumo:</b> The Wellcome Career Development Awards scheme provides funding for mid-career researchers from any discipline who have the potential to be international research leaders. They will develop their research capabilities, drive innovative programmes of work and deliver significant shifts in understanding that could improve human life, health and wellbeing.</p> <p><b>Data:</b> 2023 Round: November 16, 2023. 2024 Round: April 11, 2024.</p> <p><b>Valor:</b> Information can be found at the website.</p>
-------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Wellcome Trust - Early-Career Awards

 Saiba mais	<p><b>Resumo:</b> This scheme provides funding for early-career researchers from any discipline who are ready to develop their research identity. Through innovative projects, they will deliver shifts in understanding that could improve human life, health and wellbeing. By the end of the award, they will be ready to lead their own independent research programme.</p> <p><b>Data:</b> October 5, 2023.</p> <p><b>Valor:</b> A Wellcome Early-Career Award provides a salary for the grantholder and up to £400,000.00 for research expenses..</p>
-------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Wilson Center Fellowship 2024-2025

 Saiba mais	<p><b>Resumo:</b> Through an International Competition, the Center offers nine-month residential fellowships. Fellows conduct research and write in their areas of interest, while interacting with policymakers in Washington and Wilson Center staff and other scholars in residence. The Center accepts policy-relevant, non-advocacy fellowship proposals that address key challenges confronting the United States and the world.</p> <p><b>Data:</b> October 1, 2023.</p> <p><b>Valor:</b> The Center offers a stipend of \$90,000 for a nine-month fellowship. Fellows are responsible for their own health insurance and travel expenses.</p>
---------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Beinecke Rare Book and Manuscript Library - Short-term Research Fellowships

 Saiba mais	<p><b>Resumo:</b> The Beinecke Library offers, on a competitive basis, short-term fellowships to support research in the Yale Library special collections. Applications from scholars utilizing traditional methods of archival and bibliographic research are encouraged as are applications from individuals who wish to pursue creative, interdisciplinary, and non-traditional approaches to conducting research in the collections.</p> <p><b>Data:</b> September 22, 2023.</p> <p><b>Valor:</b> Fellowships will be awarded in the amount of U\$5,000 per month for research visits between two weeks and two months in length.</p>
---------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Beinecke Rare Book and Manuscript Library - The Walter O. Evans Fellowship for the Study of Slavery or Race

 <b>Saiba mais</b>	<p><b>Resumo:</b> The Beinecke Rare Book and Manuscript Library in conjunction with the Gilder Lehrman Center for the Study of Slavery, Resistance, and Abolition (GLC) at the MacMillan Center at Yale University is pleased to invite applications for a one-semester post-doctoral fellowship in honor of Walter O. Evans to study the American or global experience of slavery or race in the fall of 2024 or spring of 2025.</p>
	<p><b>Data:</b> January 5, 2024.</p>
	<p><b>Valor:</b> Fellows will be awarded in the amount of \$8,000 per month for four months to cover the costs of travel, accommodations, and other living expenses. An additional travel budget of up to \$5,000 may be awarded if the project would benefit from research at another repository with vital complementary materials; this research would take place directly following the fellowship period at Yale.</p>

### EDITAIS INTERNACIONAIS ANTERIORES EM VIGÊNCIA

#### Cisco - Global Impact Cash Grants

 <b>Saiba mais</b>	<p><b>Resumo:</b> The Global Impact Cash Grants seek to identify, incubate, and develop innovative solutions that solve challenging socioeconomic conditions where it can have the most impact: critical human needs, access to education, and economic empowerment.</p>
	<p><b>Data:</b> There is no deadline.</p>
	<p><b>Valor:</b> The maximum request amount for first-time grant recipients is US\$75,000.00.</p>

#### RTF Group - Freedom in Practice

 <b>Saiba mais</b>	<p><b>Resumo:</b> Our philanthropic strategy is to support projects that articulate and promote these core beliefs, projects that eliminate the obstacles which impede creative individuals, projects that give a "hand-up," rather than just a "hand-out".</p>
	<p><b>Data:</b> The Foundation receives letters of intent all year round and do not have specific deadlines.</p>
	<p><b>Valor:</b> Requested funds should be justified and reasonable. We don't normally fund overhead costs.</p>

#### AvH - Humboldt Research Award

 <b>Saiba mais</b>	<p><b>Resumo:</b> Every year, the Alexander von Humboldt Foundation grants up to 100 Humboldt Research Awards to internationally renowned academics from abroad in recognition of their entire academic record to date.</p>
	<p><b>Data:</b> Nominations may be submitted online at any time.</p>
	<p><b>Valor:</b> €60,000.00 award money (research stay of up to 12 months in Germany possible).</p>

## AvH - Research Group Linkage Programme

 Saiba mais	<p><b>Resumo:</b> The Research Group Linkage Programme aims to build a sustainable basis for long-term international academic collaboration, also integrating (doctoral and post-doctoral) junior researchers who are potential candidates for an AvH research fellowship.</p> <p><b>Data:</b> Applications may be done at any time</p> <p><b>Valor:</b> €55,000.00 up to three years.</p>
-------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## CAS - Advanced Academia Fellowships for International Scholars (Social Sciences and Humanities) 2022/2023

 Saiba mais	<p><b>Resumo:</b> The CAS provides in-residence Fellowships of two to five month duration to post-doctoral non-Bulgarian researchers to pursue their individual research projects during in-residence periods. The invited fellows participate in the intellectual life and the scholarly community of the Centre (Bulgarian and foreign fellows) while working on projects of their own choice.</p> <p><b>Data:</b> 1 October 2022 - 28 February 2023 (Winter semester); 1 March 2023 - 31 July 2023 (Summer semester).</p> <p><b>Valor:</b> A monthly stipend of €800.00 (liable to 10% income tax) to cover living expenses related to the stay in CAS. Information can be found in the website.</p>
-------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Chiang Ching-kuo Foundation for International Scholarly Exchange: Scholar Grants 2021

 Saiba mais	<p><b>Resumo:</b> The Foundation's programs encompass four regions: the Domestic region (Taiwan), the American Region (the United States, Canada, Mexico, Central and Southern America), the European region, and the Asia-Pacific region (including Hong Kong and Macau). Grant programs differ among the four regions.</p> <p><b>Data:</b> Applications may be submitted every year from August 1 to October 15.</p> <p><b>Valor:</b> Scholar Grant ranges from US\$20,000 to US\$35,000.00.</p>
---------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## BBVA Foundation - Frontiers of Knowledge Awards: 16th Edition

 Saiba mais	<p><b>Resumo:</b> The Foundation Frontiers of Knowledge Awards seek to recognize and encourage world-class research and artistic creation, prizing contributions of lasting impact for their originality, theoretical significance and ability to push back the frontiers of the known world.</p> <p><b>Data:</b> June 30, 2023</p> <p><b>Valor:</b> €400,000.00, a diploma and a commemorative artwork in each of their eight categories.</p>
---------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## DFG - Research Training Groups / International Research Training Groups

 Saiba mais	<p><b>Resumo:</b> Research Training Groups are established by universities to promote early career researchers. They are funded by the DFG for a period of up to nine years. Their key emphasis is on the qualification of doctoral researchers within the framework of a focused research programme and a structured training strategy. Research Training Groups with an interdisciplinary approach are warmly welcomed.</p> <p><b>Data:</b> Draft proposals: no deadline</p> <p><b>Valor:</b> Draft proposals for RTGs have been submitted via the Elan Portal, which is also used for proposals in DFG individual grant programmes.</p>
-------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## German Research Foundation - Emmy Noether Programme

 Saiba mais	<p><b>Resumo:</b> The Emmy Noether Programme gives exceptionally qualified early career researchers the chance to qualify for the post of professor at a university by leading an independent junior research group for a period of six years. The programme is open to postdocs and junior professors with temporary contracts who are at an early stage in their research careers. The Programme aims to attract outstanding early career researchers (back) to Germany from abroad.</p> <p><b>Data:</b> Proposals can be submitted at any time.</p> <p><b>Valor:</b> Details on the grant amount for the position can be found at the website.</p>
-------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Global Fund for Children Grant

 Saiba mais	<p><b>Resumo:</b> The Global Fund for Children is the only global nonprofit dedicated to finding, funding, and coaching truly local organizations that empower young people worldwide. The Fund invests in community-based organizations around the world to help children and youth reach their full potential and advance their rights.</p> <p><b>Data:</b> There is no deadline.</p> <p><b>Valor:</b> With rare exceptions, a prospective grantee partner's annual budget should not exceed US\$200,000.00. In most cases, new grantee partners have budgets in the US\$25,000.00 to US\$75,000.00 range.</p>
---------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Awesome Foundation - New Chapter

 Saiba mais	<p><b>Resumo:</b> Most chapters show a strong preference for projects that contribute to their own communities, though some occasionally consider applications from further afield. Try to apply to a chapter near you, in a location where you have roots, or that you think would have a particular interest your idea. If this isn't possible, you can select "Any" on the application form, or apply to one of a handful of thematic chapters.</p> <p><b>Data:</b> There is no deadline</p> <p><b>Valor:</b> US\$1,000.00 grants every month.</p>
---------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## DRK Foundation - Funding

 Saiba mais	<p><b>Resumo:</b> Through the Funding, the DRK Foundation seeks to dramatically improve the lives of people and the world around us through innovative strategies, systems changing approaches, and disrupting technologies. The Foundation goal is to find social entrepreneurs with dynamic ideas and nurture them at the early stages with maximum leverage and total commitment.</p> <p><b>Data:</b> There is no deadline</p> <p><b>Valor:</b> The DRK investments are distributed twice a year over a three-year term, totaling US\$300,000.00.</p>
---------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Arcus Foundation - Great Apes & Gibbons Grants

 Saiba mais	<p><b>Resumo:</b> The goal of the Great Apes &amp; Gibbons Grants is to increase recognition of and respect for the rights and intrinsic value of the great apes, especially the right to live free of abuse, exploitation, and private ownership.</p> <p><b>Data:</b> There is no deadline.</p> <p><b>Valor:</b> Grant amounts range from small, one-time contributions to larger, multi-year investments, with the majority falling between US\$100,000.00 and US\$150,000.00 per year.</p>
-------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### IPRA - Peace Research Grants 2023

 Saiba mais	<p><b>Resumo:</b> The Peace Research Grants invite proposals that are in line with the IPRA's Mission, Vision and Core Values. The Program supports systemic observation or study of conflict phenomena and peace strategies.</p> <p><b>Data:</b> Cycle 1: Applications open January 1 - Deadline February 28. Cycle 2: Applications open July 1 - Deadline August 31.</p> <p><b>Valor:</b> T Up to US\$5,000.00.</p>
-------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Cisco - Product Grant Program

 Saiba mais	<p><b>Resumo:</b> Cisco welcomes applications for the Product Grant Program from community partners around the world who share Cisco's vision and offer an innovative approach to a critical social challenge. The Program focuses on the same social investment areas as its cash grants: critical human needs, access to education, and economic empowerment.</p> <p><b>Data:</b> We accept proposals for direct product grants on an ongoing, year-round basis. However, grants are reviewed on a quarterly cycle.</p> <p><b>Valor:</b> The maximum request amount for first-time grant recipients is US\$50,000 (list price) of equipment.</p>
---------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### John Templeton Foundation Grants 2023

 Saiba mais	<p><b>Resumo:</b> The Foundation offers Grants in support of research and public engagement in its major Funding Areas. It invests in bold ideas from contrarian thinkers - ideas that cross disciplinary boundaries and challenge conventional assumptions. And it funds innovative programs that engage the public with these ideas, in an effort to open minds, deepen understanding, and inspire curiosity.</p> <p><b>Data:</b> August 18, 2023.</p> <p><b>Valor:</b> Candidates can consult the values already available for previous projects in each Funding Area. Note: The grant duration is often up to three years. In rare instances the Foundation may support a project for up to five years.</p>
---------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Global Innovation Fund

 Saiba mais	<p><b>Resumo:</b> The Global Innovation Fund is a non-profit innovation fund headquartered in London with an office in Washington D.C. that invests in the development, rigorous testing, and scaling of innovations targeted at improving the lives of the world's poorest people.</p> <p><b>Data:</b> Applications are accepted on a continuous basis with no deadlines or 'rounds' of funding.</p> <p><b>Valor:</b> Funding ranging from US\$50,000.00 to US\$15,000,000.00.</p>
---------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Coca-Cola Foundation – Grants Program

 <b>Saiba mais</b>	<p><b>Resumo:</b> The Grants Program supports proposals focused on those initiatives that align with Coca-Cola Foundation's overall Community Investment Priorities.</p>
	<p><b>Data:</b> There is no deadline.</p>
	<p><b>Valor:</b> There is no dollar limitation.</p>

### AvH - Fraunhofer-Bessel Research Award 2022

 <b>Saiba mais</b>	<p><b>Resumo:</b> Alexander von Humboldt Foundation (AvH) promotes academic cooperation between excellent scientists and scholars from abroad and from Germany.</p>
	<p><b>Data:</b> There is no deadline.</p>
	<p><b>Valor:</b> €45,000.00.</p>

### IIE - Scholar Rescue Fund

 <b>Saiba mais</b>	<p><b>Resumo:</b> IIE-SRF accepts applications from professors, researchers, and public intellectuals who face threats and cannot continue their work in their home countries. Scholars from any country and in any academic field or discipline may qualify. Applicants are assessed based on academic qualifications and experience, the quality and/or potential of their work, and the urgency of the threats that they face.</p>
	<p><b>Data:</b> Applications and nominations are accepted throughout the year. Accepted applications will be evaluated by the Selection Committee on a quarterly basis. Requests for emergency outside these cycles according to each case.</p>
	<p><b>Valor:</b> These year-long fellowships of US\$25,000.00 support temporary academic positions at institutions of higher learning anywhere in the world where IIE-SRF fellows can continue their work in safety. In most cases, IIE-SRF fellows are eligible to apply for a second and final year of fellowship support.</p>

### ICUB - Visiting Professors Fellowship Program

 <b>Saiba mais</b>	<p><b>Resumo:</b> The Visiting Professors Fellowship Program are residential scholarships for a period that can vary between fourteen days and twelve months. The purpose of these fellowships is to foster scientific collaborations and to encourage the development of high-quality international co-operative projects (conferences, courses, research seminars or exploratory workshops).</p>
	<p><b>Data:</b> Applications can be submitted at any time.</p>
	<p><b>Valor:</b> For the visiting professors who are staying more than one month and do not have their own source of funding, the stipend is 3500 leu/month. For those who are staying between fourteen days and one month, the stipend is 100 leu/day. The ICUB provides reimbursement for international transport (one round-trip), and can also contribute towards the covering of accommodation expenses (within a maximum limit of 1500 leu/month).</p>

## Tübitak - Fellowships for Visiting Scientists and Scientists on Sabbatical Leave

 Saiba mais	<p><b>Resumo:</b> The program aims to promote Turkey's scientific and technological collaboration with countries of the prospective fellows. Three types of visit are granted within this program: Visiting Scientists/researchers on Short-term (up to one month); Visiting Scientists/researchers on Long term (up to twelve months); Scientists/researchers on Sabbatical Leave (from three months to twelve months).</p> <p><b>Data:</b> Applications are accepted on a rolling basis.</p> <p><b>Valor:</b> Information can be found at the website.</p>
-------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Roddenberry Foundation - The Catalyst Fund

 Saiba mais	<p><b>Resumo:</b> The Catalyst Fund was created because the Roddenberry Foundation believes that philanthropists, and foundations, need to take more risks. As a field it is needed to do more to encourage experimentation, creativity, and innovation from each other and from those organizations and individuals the Roddenberry Foundation supports.</p> <p><b>Data:</b> Proposals are accepted year-round.</p> <p><b>Valor:</b> Grants between US\$2,500.00-US\$15,000.00.</p>
-------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Swiss National Science Foundation - Scientific Exchanges

 Saiba mais	<p><b>Resumo:</b> The Scientific Exchanges is aimed at researchers who want to host their own scientific event in Switzerland, invite colleagues from abroad for a research visit to Switzerland, or visit their colleagues in another country. Scientific conferences and workshops are the two types of event covered by the scheme. Research visits by Swiss researchers to other countries or by researchers from abroad to Switzerland are funded for a period of one to six months.</p> <p><b>Data:</b> All year round (at least four months before the event or visit).</p> <p><b>Valor:</b> The minimum amount that may be requested in an application is CHF2,500.00, the maximum CHF25,000.00.</p>

## Pulitzer Center - Gender Equality Grants

Saiba mais

**Resumo:**

The Gender Equality Grant is designed to help journalists take to a new level the reporting on issues related to gender equality and the empowerment of women and girls. It values stories that elevate the voices of communities not often represented in the media, stories of resilience, and projects that tackle systemic issues of gender equality using data and investigative reporting.

**Data:**

Applications are accepted on a rolling basis.

**Valor:**

The average size of a Pulitzer Center Grant is US\$5,000.00, but may be more or less depending on circumstances.

## Assistência a Projetos Comunitários e Segurança Humana no Brasil (APC)

Saiba mais

**Resumo:**

O Governo japonês oferece um programa de assistência econômica para projetos de desenvolvimento concebido para atender às diversas necessidades dos países em desenvolvimento. O Programa de Assistência a Projetos Comunitários e Segurança Humana (APC) proporciona assistência financeira não reembolsável a organizações não-governamentais (ONGs), hospitais, estabelecimentos de ensino fundamental e outras organizações sem fins lucrativos, a fim de auxiliar na implementação de seus projetos de desenvolvimento e tem conquistado uma excelente aceitação, pois proporciona um apoio rápido e flexível aos projetos de desenvolvimento comunitário. Qualquer projeto de desenvolvimento voltado para a assistência comunitária pode ser financiado por meio da APC. Contudo, as seguintes áreas de atendimento às necessidades humanas básicas contabilizam a maioria dos projetos aprovados: · cuidados de saúde básica; · educação básica; · atenuação da pobreza; · assistência social; · meio ambiente.

**Data:**

Fluxo contínuo.

**Valor:**

A quantia de assistência concedida por projeto é, geralmente, de até ¥10 milhões (o valor máximo é de ¥100 milhões).

## Inter-American Foundation - Programa de Doações para o Desenvolvimento da Comunidade

Saiba mais

**Resumo:**

A IAF, por meio do Programa de Doações, financia iniciativas de autoajuda de grupos de base na América latina e no Caribe para melhorar as condições de vida dos desfavorecidos e excluídos, aumentar a capacidade de tomada de decisão e auto governança e desenvolver parcerias com o setor público, as empresas e a sociedade civil.

**Data:**

As propostas podem ser apresentadas durante todo o ano.

**Valor:**

A quantia de uma doação da IAF depende das necessidades da organização proponente e do montante dos recursos de contrapartida mobilizados. Recentes doações da IAF têm variado de US\$ 25.000,00 a US\$400.000,00 por um período de um a quatro anos. Atualmente, a IAF não financia solicitações inferiores a US\$25.000,00 nem superiores a US\$4000.000,00.
